

# YOSHIKA HORITA

PHOTOGRAPHER

## PROFILE

Born in 1966, Fukui, Japan.

In 1979, moved to Knoxville, Tennessee with her family and had lived for a year. After graduated Osaka City University and Nara Women's University, began to work as an editor / photographer for a music magazine Player. In 2000, became a freelance photographer and has been taking portraits and live photos for advertisement, album covers, and magazines. Many musicians and celebrities like Jimmy Page from Led Zeppelin or Sigur Rós who doesn't like to be photographed, put full credit in her photography. She continues to capture a ROCK moment of whoever or whatever to be shot.
